ENHANCED SUPPORT FOR SURVIVORS OF SEXUAL ASSAULT

In response to the growing demand for comprehensive support for survivors of sexual violence in Garfield County, Advocate Safehouse Project (ASP) has broadened its scope of services. Through a collaborative grant facilitated by the Colorado Coalition Against Sexual Assault (CCASA) and the Domestic Violence Program (DVP), ASP welcomed a dedicated sexual assault advocate to its team in 2023. This strategic expansion reaffirms our steadfast commitment to supporting individuals affected by abuse and assisting them in their journey toward healing and restoration.

ASP VISION & MISSION

ASP's ad hoc committee, "Reviewing Governing Documents" revised ASP's Vision, Values and Mission Statement in 2023. To read the statement in its entirety, visit the ASP homepage.

Advocate Safehouse Project envisions all relationships in our community to be filled with well-being and empowerment. Our values are guided by integrity, compassion, resiliency, empowerment, and well-being; and our mission is to promote healthy relationships free from violence, striving to overcome imbalances through advocacy, collaboration, education, and shelter.

DEPARTURES AND ARRIVALS: EXECUTIVE DIRECTOR TRANSITIONS

In 2023, ASP experienced a significant transformation. After serving as Executive Director for an impressive 28 years, Julie Olson stepped down from her position and transitioned to become ASP's Grants Manager. Under her leadership, ASP transformed from a small operation into an exemplary model of excellence, renowned for its innovative programming and steadfast commitment to serving survivors of SA and IPV.

In August 2023, Betty Lucas was welcomed as the new Executive Director, marking the next chapter for the organization as it embraced change while remaining committed to its mission for survivors served in Garfield County. "It's been an exciting start for me at ASP. I'm looking forward to continuing the work Julie started. My focus will emphasize building partnerships, interagency collaboration, and working with ASP's amazing staff and board of directors. I hope to set my roots in and grow with the agency for years to come," said Lucas.

INTRODUCING THE HALLOWEEN HUSTLE

The owners of Latitude Fitness 39, Paul and Nicole Heisig displayed a remarkable spirit of compassion and empathy by supporting ASP for Domestic Violence Awareness Month in October. Despite the inclement Colorado weather, the community rose to the occasion by donning creative Halloween costumes and dashing to the finish line in a 5k or 1k fun run. All the proceeds raised from this event went towards supporting ASP. The Heisig's generous contribution has significantly impacted the lives of survivors.

Thank you, Latitude 39 Fitness!

SURVIVOR LETTER

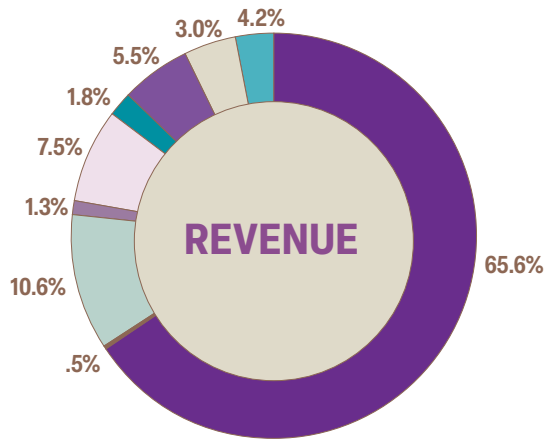

Hi, Erin!

I wanted to say thank you for all that you did to help me get away from my situation with my ex. I was definitely in a place where I didn't think it was possible, but the assistance that you and Advocate Safehouse provided helped. I appreciate more than anything having a safe place to sleep at night and the assistance in paying for train fare so I could move home with family sooner. Having left my ex with no money to my name, I wasn't hopeful and I felt forced to stay in a situation that wasn't healthy or safe. Thank you, for helping me (and my dog get Baxter) get to a safer, healthier environment.

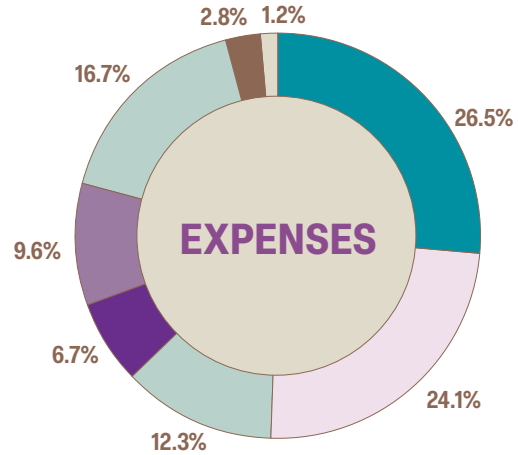

Thank you always,
Marna

This letter was written from a woman who resided in our Safehouse Program. The note is written verbatim except for her name.
